

# God Spared Noah

Genesis 6-10

## Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- What did God tell Noah to build to keep his family safe from the flood?
- How do you think Noah's family felt when Noah was building the ark?
- Who did God send to save us from sin?

## Family Activity:

- Gather a bowl of water and items, such as a spoon, rock, chenille stem, and small block. Allow each family member to guess if she thinks each item will sink or float. Then, let your child place each item in the water. Notice which items went to the bottom of the water and which ones stayed at the top of the water. Remind your children that God kept Noah and his family safe during the flood.
- Explain the meaning of covenant, or promise. Read Genesis 9:12-17. Talk about the covenant, or promise, God made to Noah.
