

Sin Spread to People

Genesis 4-5

Family Discussion Starters:

- What is one thing you remember from this week's Bible story?
- After Adam and Eve sinned, how did their children sin?
- Why do you think God sent Cain away after he sinned?
- Who did God send to save sinners?

Family Activity:

- Visit a farm or petting zoo as a family to look for sheep or look online for videos of sheep. Talk about how Abel was a shepherd and took care of sheep. Abel gave God some of his sheep.
- Cut the bottom off several stalks of celery, preferably with leaves still attached. Fill a few clear cups with water. Drop several drops of food color in each cup and stir. Place the celery stalks, cut side down, in the cups. Observe the color in the water spreading through the stalks and leaves. Talk about how when Adam and Eve sinned, sin spread to all people after them.
